(Hjerpe)

She's fast on my money
Slow to call me honey
But she's regular on my mind
She's fast on the phone
Mighty slow when we're alone
But she's regular on my mind.

I hear she's been around
All over this town
Spends the good deal of time
Just to puttin' me down.

She's fast on my money
Slow to call me honey
But she's regular on my mind
She's heavy on the drinking
Awful light of thinking
But she's regular on my mind.

She's heavy on the showing
Awful light on going
But she's regular on my mind.

You know she's been seen
'Round the strange machine
She's a fast movin' mama
She's a lowdown mean.

Heavy on the drinking
Awful light of thinking
But she's regular on my mind.

--- Instrumental ---

She's smooth on the clinch
Awful rough on the pinch
But she's regular on my mind
She's high when she kisses
Awful low when she misses

But she's regular on my mind.

She's been seen on the sly
With every available guy
Don't take much analyzing
To figure out why.

She's tall in the light
She awful short at night
But she's regular on my mind...
