(Nat Stuckey)

I got a thing about the long haired women
Their identity drives me wild
And that some girls with painted eyes
In mini skirts and bye bye eyes
Guranteed to make me smile

And those wings and rings and uptight things
May hold my intention for a while
But if you wanna keep me round
Then let your hair hang down
Sock it to me country style.

I think lot about a new generation
And the clothes they wear ain't bad
I didn't design those clothes
And funny little shirts
And knee high shoes and mini skirts
But I kinda wish that I had.

I like cowboy shirts
And cowboy boots and Levi's
And I like girls who like my style
So if you wanna keep me round
Then let your hair hang down
Sock it to me country style.
