(Alan J. Lerner - Frederick Loewe)

(Mariah)

A way out here they've got a name  
For wind and rain and fire  
The rain is Jack the fire is Joe  
And they call the wind Maria.

Maria flows the stars around  
Since the clouds're flying  
Maria makes the mountains sound  
Like cold wind out there dying.

Maria, Maria, they call the wind Maria.  
(Maria.) (Maria.)

Before I knew Maria's name  
Heard her wails and whining  
I had a girl and she had me  
And the sun was always shining.

And then one day I left my girl  
Left her far behind me  
Maria blowed her love to me  
I need her here beside me.

Maria, Maria, they call the wind Maria.  
(Maria.)

Out here they've got a name for rain  
And wind and fire only  
But when you're lost and all alone  
there ain't no name for lonely.

Now I'm a lost and lonely man  
Without the stars to guide me  
Maria blowed her love to me  
I need her here beside me.

Maria, Maria, they call the wind Maria

(Maria, Maria.)...
