(Billy Graham)

We're strangers in a room full of people  
You're close enough to touch me now and yet  
With him there at your side we play a lover's game  
And I make believe that we have never met.

There's danger in a room full of people  
I watch him as he holds your little hand  
And I remember nights when you were mine alone  
And I wonder how much more a man can stand.

Triangle, his and yours and mine  
Three people locked in love's design  
Triangle, likes some evil sign  
What a wild and hopeless tangle, triangle.

--- Instrumental ---

We're actors on a stage full of people  
I ask you what's to be or not to be  
I know a triangle must have a losing side  
And I wonder is it him or is it me?

Triangle, his and yours and mine  
Three people locked in love's design  
Triangle, likes some evil sign  
What a wild and hopeless tangle, triangle.

What a wild and hopeless tangle, triangle...
