(Sandy Seamons - Kaye Savage)

Walk through this world with me, go where I go
Share all my dreams with me, I need you so
In life we search and some of us find
I've looked for you a long, long time.

And now that I found you, new horizons I see
Come take my hand and walk through this world with
me.

--- Instrumental ---

Walk through this world with me, go where I go
Share all my dreams with me, I need you so
And now that I found you new horizons I see
Come take my hand and walk through this world with
me.

Come take my hand and walk through this world with
me...
