(Jim Glaser)

I guess my loving
Just ain't good enough for you
Every time I turn my head
You look at someone new.

Your kind don't like walking
Babe you want an easy ride
What does it take
To keep a woman like you satisfied.

You've got a plan in mind
To make things come your way
I wonder if it's worth the price
You'll have to pay.

Life gets cold and empty
When your self respect has died
What does it take
To keep a woman like you satisfied.

--- Instrumental ---

You need more love than you can get
From just one man
Someday you'll taste your cup of life
And find it's filled with sand.

And then you'll have to turn
And face the girl within
For where I stand I don't think
You'll be proud of where she's been.

And when you're running from yourself
There ain't no place to hide
What does it take
To keep a woman like you satisfied.

What does it take
To keep a woman like you satisfied...
