(Jim Ed Brown - Fritz)

What's a girl like you doing in a place like this?

Oh, what a pretty face in such a dirty place
What in the world are you doing here?
You try to act like you belong
But I know you're just puttin' on.

What's a girl like you doing in a place like this?

What's a girl like you wasting your time for
In a place that only brings disgrace and shame
What's a girl like you wasting your life for
What went wrong who is to blame.

You play the jukebox all night long
You try to act like you belong
But your eyes tell me you're a million miles away
So if I ask just once again
It's because I don't understand.

What's a girl like you doing in a place like this?
