Where did the sunshine go
Why is it raining so
Where is the love I used to know
Where did the sunshine go?

Where did the sunshine go
Why do the cold winds blow
Where is the love I needed so
Where did the sunshine go?

I discovered the sunshine in a woman's loving smile
Like a fool I thought the sun had come to stay
Then she fell for another and the sun went out of sight
And the springtime vanished when she went away.

Where did the sunshine go
Why is it raining so
Where is the love I used to know
Where did the sunshine go?

Where did the sunshine go
Why do the cold winds blow
Where is the love I needed so
Where did the sunshine go?...
