Where does a little tear come from?
Where does a little tear come from?
It comes from a heart that's been broken apart,
That's where a little tear comes from.

Where does a broken heart come from?
Where does a broken heart come from?
It comes when you find that you love the rovin' kind
That's where a broken heart comes from.

Where does the rovin' kind come from?
Where does rovin' kind come from?
From the wind and restless river that wanders on
forever
That's where the rovin' comes from.

Where does the restless river come from?
Where does restless river come from?
It comes from little tears that are shed through the
years
That's where the restless river comes from.

Where does a little tear comes from?...
