Hey Hey  
Hey Hey x2

Take a break  
From the world  
Make a sound  
In the uniform  
A special place  
Another view  
Make a move  
Move Move, make a move

Steals the crown  
A fortune found  
Bad and strong  
Through the uniform  
Conquer big  
A money clown  
Do your thing  
Do your real thing

Hey Hey  
Hey Hey  
Show them devotion  
Oh, come on  
Hang on  
Get on x2

Do a flap  
Got it back  
Do they talk  
Something been said  
People come  
A lady-man  
Make a move  
Move move, make a move

Steals the crown  
A fortune found  
Bad and strong  
Through the uniform  
Conquer big

A money clown  
Do your thing  
Do your real thing

Hey Hey  
Hey Hey  
Show them devotion  
Oh, come on  
Hang on  
Get on x2

Come on  
Hang on  
Get on

Make a move  
Move Move, make a move

Hah! Hah! Ha Ha Hey!  
Make a move  
Move move, make a move!

Hey Hey  
Hey Hey  
Show them devotion  
Oh, Come on  
Hang on  
Get on x2

Hey Hey  
Hey Hey  
Hah! Hah! Ha Ha Hey! x2

Hey Hey  
Hey Hey  
Show them devotion  
Oh, come on!  
Hey Hey  
Hey Hey  
Hah! Hah! Ha Ha Hey!
