Hey, done it once again  
Fall into the wall  
A nice poster on the wall  
Fall into the floor  
A nice carpet on the floor  
Sharpen it, sharpen it again  
Done it again, done it again, done it again

Ai, done it once again  
Hang it on the wall  
A nice picture on the wall  
Fall into the floor  
A nice carpet on the floor  
Sharpen it, sharpen it again  
Done it again, done it again
