You're my best friend,
but then you died,
when i was 23 and you were 25
you're my best friend,
but then you died,
and how will i survive, survive, survive, survive?
oh how will i survive, survive, survive, survive?

And every day, i waited for you,
and every day, on the top of your car,
every day, i waited for you,
and every day, on the hood of your car,

Ah oh...

I had a dream of you,
you were drifting away,
you were sad,
you always would drift away,
and i know you're going to be okay,
cos i can see it in your eyes, your eyes, your eyes, your
eyes,
and i know i wanna survive, survive, survive, survive

And every day, i waited for you,
and every day, on the top of your car,
every day, i waited for you,
and every day, on the hood of your car,

Ah oh...

And every day, i waited for you,
and every day, on the top of your car,
every day, i waited for you,
and every day, on the hood of your car,

Ah oh...
