Oh, let it begin
Let it begin
Let it begin

Oh, let it begin
Let it begin
Let it begin

Oh darling, you were the son of an evil man
I know you hate yourself
but you're nothing like him
and it's over now
You can pick yourself off the ground
because you are cool now
You're nothing like him

I've seen the world
and there's a heaven and there's no hell
I've seen the world
and there's a heaven and there's no hell

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight

Oh, let it begin
Let it begin
Let it begin

Oh, let it begin
Let it begin
Let it begin

Oh, you are a pretty thing
but you're full of fear
Well, not here
No, never here

You can love them
You can hate them
You never wronged them
So you don't owe them

I've seen the world
and there's a heaven and there's no hell
I've seen the world
and there's a heaven and there's no hell

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight

You can love them
You can hate them
You never wronged them
So you don't owe them

You can love them
You can hate them
You never wronged them
So you don't owe them

You can love them
You can hate them
You never wronged them
So you don't owe them

You can love them
You can hate them
You never wronged them
So you don't owe them

You can love them
You can hate them
You never wronged them
So you don't owe them

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight

And I believe that when we die, we die
So let me love you tonight
Let me love you tonight
