I know how you feel  
I've been there before  
I've walked all those roads  
I've seen those doors closed  
ohh ohh ohh

I've seen all those closed doors  
ohh

if you just hold on; if you take my hand  
I know we can be strong  
if you just hold on; if you take my hand  
we'll walk in the new world

it's almost over now  
we've made it through the night  
only the strong survive  
give me your hand  
and I'll put you up with us  
if you just hold on; if you take my hand  
I know we can be strong  
if you just hold on; if you take my hand  
we'll walk in the new world

hold on, hold on, hold on, hold on, hold on  
hold on, hold on, hold on, hold on, hold on,  
hold on, hold on, hold on, hold on, hold on,

if you just hold on; if you take my hand  
I know we can be strong  
if you just hold on; if you take my hand  
we'll walk in the new world

if you just hold on; if you take my hand  
I know we can be strong  
if you just hold on; if you take my hand  
we'll walk in the new world

if you just hold on; if you take my hand  
I know we can be strong  
if you just hold on; if you take my hand

we'll walk in the new world

hold on, hold on, hold on, hold on...  
hold on... hold on... hold on...
