You said "a day at a time"
And I think I agreed
It's the best we could do
It's as far we could see

It is hard to commit
It is easy to fail
Even colourful words
Can turn out to be pale

I knew it was too good to be true

Still you are all in my mind
Though I am left behind
With memories of you

But it is never too late
To start to hesitate
I'm calling for you

I do not know more than you
What the future will be
We will just have to wait
And in time we will see

It's a story of us
It's a sort of a dream
I was being afraid
I would wake up and scream

I knew it was too good to be true

Calling for you
