I was unable to hold you
But even God knows I tried
There's no use to be sorry
Just let me kiss you goodbye

I remember the time
The moments we had
I thought it would last forever

Do you want my love
Do you want my love
Do you want my love
For another day
Do you want my love
If I just say
I'm missing you

I wanna show you the rain
I wanna show you the sun
Let me once be your hero
Let me once be the one

And I will bring you the stars
And bring you the moon
And pray we could stay together

Do you want my love
Do you want my love
Do you want my love
For another day
Do you want my love
If I just say
I'm missing you

Let me kiss you goodbye
Let me kiss you goodbye

Do you want my love
Do you want my love
Do you want my love
For another day

Do you want my love
If I just say
I'm missing you

Let me kiss you goodbye
Let me kiss you goodbye
