Leaves are falling from my heart
I'm as naked as the trees
Searching for your arms
For a caress and a breeze

I close my eyes
And I can see
A fading vision of you and me

The way we used to make love
Summertime
The way we used to make love
Wintertime
The way I used to touch your skin
Before falling asleep
Those nights

Soon the winter takes my soul
I'll be freezing turn to ice
Nothing but your love
Can make the morning rise

I close my eyes
I'm blind of fear
I'm blind of longing
And of tears

The way we used to make love
Summertime
The way we used to make love
Wintertime
The way I used to touch your skin
Before falling asleep
Those nights

I close my eyes
I close my eyes
I'm blind of longing
And of tears

The way we used to make love

Summertime
The way we used to make love
Wintertime
The way I used to touch your skin
Before falling asleep
Those nights

I close my eyes
I close my eyes
