Oooh, you've got a way aboutcha  
That's shakin' me offa my vine  
Oooh, you've got a way aboutcha  
And doncha think it's way past time  
Only you can put it where I want it  
\*and I can't getcha off.  
I just can't get you  
I can't getcha offa my mind  
No I can't getcha off,  
I just can't get you  
I can't getcha offa my mind\*

Oooh, you've got a sweet way of walkin'  
That pushes me offa my mind  
Oooh, a street way of talkin'  
That lets me know you're just my kind  
Cause only you can put it where I need it

(\*repeat)

Only you, can send me into ecstasy  
When you're next to me  
When I need you

(\*repeat)
