\*\*growin' up he was tagged a rebel  
She was the smoke, he was the fire  
They had the time of their lives together  
Turning it up higher and higher  
Now people talk about the two of them  
And just shake their heads  
It's all just a cryin' shame, he's got a heart she'll never  
tame\*\*

\*he can't give it up  
Never give his heart away  
Can't give it up  
Never gonna give it away  
Gets it in the night  
Hides it from the light of day  
He's too wild to tame\*

He got hooked on the spotlight  
Fortune and fame, one-night stands  
Under the spell of the hot lights  
He had it all in the palm of his hand  
Now she's waitin' in the wings and feelin' alone in the  
crowd  
Their love is just a distant fire,  
He's too wild and she's too proud
