(Jim Peterik/Frankie Sullivan)
Two eyes that haunt me
When I turn out the light
Two lips that taunt me
From the darkness each night
I try and hide my heart
To keep my distance in the dark
What makes me fall apart
And call out your name
Just when I'm certain
That you're out of my mind
This feeling grips me
So hard to define
This yearning inside
Just can't deny it
My heart's been branded
I can't let you go
Don't understand it
Just can't tell you no
Don't leave me stranded
'Cause I just can't let you go
It's such a fine line
I walk on the wire
Your heart's a magnet
Pulling me to the fire
Girls like you are hard to shake
It might be my mistake
But I need you tonight
You must have something
To have held me so long
I'm accustomed
To a feeling so strong
Don't tell me it's wrong
Just can't deny it
My heart's been branded
I can't let you go
Don't understand it
Just can't tell you no
Don't leave me stranded
'Cause I just can't let you go
