"Caught In The Game"

You swore you'd never again, let yourself be tempted,
Too many times in the past when you've opened up
your heart --
You've had it broken in pieces, by too many lies,
Still it's hard to acknowledge the past --
When she flashes those eyes,
Over and over the song skips,
Just as the final refrain fades away --
Like fools we are caught in the game

*caught in the game,
Caught in the game again --
Caught in the game,
Caught in the game*

I swore I'd never again catch myself believin'
Too many times I've been hurt -- and it makes you hard
inside
But when I saw you in the city tonight --
Was it just imagination --
Or did your eyes burn a little too bright,
For purely conversation --
Over and over the lights flash down at the corner
arcade
Swept away --
Like fools we are caught in the game

(* repeat)

Over and over the song skips
Just as the final refrain fades away.
Like fools we are caught in the game

(* repeat)
