Like a vision standin' there,  
Lips poutin', a come-on stare,  
Come on -- I thought I had your number,  
Workin' up an appetite for love,  
Don't let me die of hunger,  
Ain't ya got no heart,  
No compassion for your lover,  
When I get you on the floor, I find it's just another,

\*hesitation dance ?c  
You got me in a stone-cold trance  
Hesitation dance  
Go out and find another fool  
For your game of chance\*

Shut the door, draw the blinds,  
Yeah baby gonna draw the lines,  
Come on, I know your heart's on fire,  
How could anyone who plays the part  
And tastes so sweet wanna hide her heart away,  
You're my main desire --  
Ain't you got no heart --  
No compassion for your lover,  
When I get you on the floor,  
I find it's just another
