There you stood, that'll teach ya
To look so good and feel so right
Let me tell you about the girl I met last night

It's understood, I had to reach her
I let the wheel of fortune spin
I touched your hand before the crowd
Started rushin' in
Now I'm higher than a kite
I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat
Beggin' for your touch in the middle
Of the street and I --

I can't stop thinking 'bout you, girl
I must be living in a fantasy world
I'm so high on you

Smart and coy, a little crazy
The kinda face that starts a fight
Let me tell you 'bout the girl I had last night
Piercing eyes, like a raven
You seemed to share my secret sin
We were high before the night
Started kickin' in
Now I'm screamin' in the night
I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat
Beggin' for your touch in the middle
Of the street and I --

Chorus - I can't stop thinking 'bout you, girl
I must be living in a fantasy world
I've searched the whole world over
To find a heart so true
Such complete intoxication
I'm high on you

There you stood, that'll teach ya
To look so good and feel so right
Let me tell you about the girl I met last night

Now I'm higher than a kite
I know I'm gettin' hooked on your love
Talkin' to myself, runnin' in the heat
Beggin' for your touch in the middle
Of the street and I --

Chorus - I can't stop thinking 'bout you, girl
I must be living in a fantasy world
I've searched the whole world over
To find a heart so true
Such complete intoxication
I'm high on you
I'm high on you
I'm high on you
