There's a story in my eyes  
Turn the pages of desire  
Now it's time to trade those dreams  
For the rush of passion's fire  
I can feel you tremble when we touch  
And I feel the hand of fate  
Reaching out to both of us  
I've been holding back the night  
I've been searching for a clue from you  
I'm gonna try with all my might  
To make this story line come true  
Can ya feel me tremble when we touch  
Can ya feel the hand of fate  
Reaching out to both of us  
This love affair can't wait  
\*I can't hold back, I'm on the edge  
(I can't hold back)  
Your voice explodes inside my head  
I can't hold back, I won't back down  
Girl it's too late to turn back now\*  
Another shooting star goes by  
And in the night the silence speaks to you and I  
And now the time has come at last  
Don't let the moment run too fast  
I can feel you tremble when we touch  
And I feel the hand of fate reaching out to both of us  
There's a story in my eyes, turn the pages of desire  
Now it's time to trade those dreams  
For the rush of passion's fire  
(\* Repeat)
