We're not indestructible,
Baby better get that straight.
I think it's unbelievable,
How you give into the hands of fate.
Some things are worth fighting for,
Some feelings never die.
I'm not asking for another chance,
I just wanna know why.

(chorus)

There's no easy way out,
There's no shortcut home.
There's no easy way out,
Giving in can't be wrong.

I don't wanna miss the fight,
I don't wanna drag you down.
But I'm Feeling like a prisoner,
Like A Strange in a no-name town.
I See all the angry faces,
Afraid that could be you and me.
Talking about what might have been,
Thinking about what it used to be.

(chorus)

There's no easy way out,
There's no shortcut home.
There's no easy way out,
Giving in can't be wrong.

Baby Baby we can shed this skin,
We can know how we feel inside.
Instead of going down an endless road,
Not knowing if we're dead or alive.
Some things are worth fighting for,
Some feelings never die.
I'm not asking for another chance,
I just wanna know why.

(chorus)

There's no easy way out,

There's no shortcut home.
There's no easy way out,
Givin in, givin in, can't be wrong.

(repeat and fade)
