I've run out of time to waste
Got a fever in my mind
One more chance to take
It's been a long and lonely time
There's no going back
Can't change the things I've done
I got no reason left to run
Forgiveness is hard to find
Gotta take it while you can
I've lost all my foolish pride
I'm just an ordinary man
And time waits for no one
And love will pass you by
Don't waste another moment wonderin' why
Give me one more chance to love
Just one
Give me one more chance to touch the skies above
We've run out of time to waste
Why don't you leave the past behind
Your road ain't a lonely place
Cause it's paved with hearts like mine
And time waits for no one
And love will pass you buy
Don't spend another moment asking why
Give me one more chance to love
Just one
Give me one more chance to touch the skies above
I need one more chance for love
Just one
Give me one more chance to touch the skies above
Why do you make it so hard
Livin' day by day
Just take a look at your life
What more can I say
Give me one more chance to love
Just one
Give me one more chance to touch the skies above
I need one more chance for love
Just one
Give me one more chance to touch the skies above
Give me one more chance to love

Just one

Give me one more chance to touch the skies above
