Girl it always seems about september  
That's the time, again I remember the lights  
And all the fun of those summer nights  
Young and innocent and livin' fast  
Didn't know enough to know  
That a summer love can't last  
Can't last  
\*(do you remember those)  
Summer nights all night  
Dancin' in the light of love  
(dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond september  
Summer nights all night  
Livin' for your love,  
Dreamin only of  
You and summer nights\*

I remember playin' by the shoreline  
Before the fall when we had it all at our fingertips  
Buildin' castles in the driftin' sand  
Raced the waves as they ran to the shore  
But the tides were turned for ever more  
And the things we planned  
Were castles made of sand

( \* repeat)

Oooh summer nights  
We were diamonds in the rough in the moonlight  
Oooh summer nights  
Now I'm out in the cold again  
Back on my own again

(well I remember those)  
Summer nights...
