You were hitchin' a ride  
When I took you inside  
You were tremblin'  
Out in the rain,  
Just a face with no name  
In the cold  
And you cling to my side  
Like a desperate child  
As the thunder crashed high above  
Well now the storm is behind us  
It's time for some love

Gonna  
\*take you on a saturday  
Lovin' you til monday mornin'  
Take you on a saturday  
I've been waitin', waitin', waitin', yeah\*

Now I don't know your past  
And I don't know your last situation  
All I know is the way that you feel  
In my arms, ooh, my arms

And your body so sweet  
And I'm feelin your heat  
And this heart's got no time to lose  
So hold on tight babe  
I'm makin my move

(\* repeat)

And my love will flow like a river  
And in gentle waves,  
We'll come and go like the sea  
And the feelin' is makin' me shiver, oh yeah  
A weekend of love  
Then it's back to the world, oh yeah

(\* repeat)
