That handle sticks on the passenger side  
But she don't mind climbing in on mine 'cause that's  
where she rides  
I work the clutch and she shifts the gears  
We take a one way, unpaved to a place way outta here  
Yeah, way outta here

Down a rough road where a car can't go  
Up in the hills where you need four-wheel  
Let down the tailgate watch her tan legs sway  
To the rhythm of me strumming on my guitar  
Lay back in the bed, lay her head on my chest  
Beneath a billion stars  
Doin' things you can't do, things you can't do  
Doin' things you can't do in a car

This Saturday, I'm helping Tommy out  
Hitch on the ball, we'll be hauling dry wall to his  
momma's house  
Later on that night, when the work is done  
I got a hot date, can't wait, my baby's gettin' made up  
Yeah, to have a little fun

Down a rough road where a car can't go  
Up in the hills where you need four-wheel  
Let down the tailgate watch her tan legs sway  
To the rhythm of me strumming on my guitar  
Lay back in the bed, lay her head on my chest  
Beneath a billion stars  
Doin' things you can't do, things you can't do  
Doin' things you can't do in a car

Pull a boat, move a couch, hook a chain, drag it out  
Hang a gun on the rack, hot tub in the back  
Horsepower and a winch help a buddy out the ditch  
Have some fun in the mud, maybe we can get stuck...

Down a rough road where a car can't go  
Up in the hills where you need four-wheel  
Let down the tailgate watch her tan legs sway  
To the rhythm of me strumming on my guitar

Lay back in the bed, lay her head on my chest  
Beneath a billion stars  
Doin' things you can't do, things you can't do  
Doin' things you can't do, things you just can't do  
Doin' things you can't do, things you can't do  
Doin' things you can't do in a car
