[Intro]

runaway, runaway with me
runaway, runaway with me

We'll pack this world away,
and leave it all behind us,
memories fade away,
circumstances find us,
remind us, of what it use to be.
find us,
remind us, of what it use to be.

[chorus]

(run, jump up and run)
runaway, runaway with me
(run, jump up and run)
runaway, runaway with me
(It's time, jump up and run)
runaway, runaway with me

[verse]

lets be bored again,
pray for you around,
building fairy tales,
they could never find us,
remind us of what it use to be
find us, remind us of what it use to be.

[chorus]

(run, jump up and run)
runaway, runaway with me
(run, jump up and run)
runaway, runaway with me
(It's time, jump up and run)
runaway, runaway with me

RUNAWAY WITH ME!!!

[interlude]

we'll pack this world,
and walk away,
(we'll pack this world, and walk away)x6

(run, jump up and run)
runaway,runaway with me
(run, jump and run)
runaway,runaway with me
(It's time, jump up and run)
runaway,runaway with me
