"Breathe No More"

I've been looking in the mirror for so long.
That I've come to believe my souls on the other side.
Oh the little pieces falling, shatter.
Shards of me,
To sharp to put back together.
To small to matter,
But big enough to cut me into so many little pieces.
If I try to touch her,
And I bleed,
I bleed,
And I breathe,
I breathe no more.

Take a breath and I try to draw from my spirits well.
Yet again you refuse to drink like a stubborn child.
Lie to me,
Convince me that I've been sick forever.
And all of this,
Will make sense when I get better.
I know the difference,
Between myself and my reflection.
I just can't help but to wonder,
Which of us do you love.
So I bleed,
I bleed,
And I breathe,
I breathe now...
Bleed,
I bleed,
And I breathe,
I breathe,
I breathe-
I breathe no more.
