you don't remember me but i remember you  
i lie awake and try so hard not to think of you  
but who can decide what they dream?  
and dream i do...

i believe in you  
i'll give up everything just to find you  
i have to be with you to live to breathe  
you're taking over me

have you forgotten all i know  
and all we had?  
you saw me mourning my love for you  
and touched my hand  
i knew you loved me then

i believe in you  
i'll give up everything just to find you  
i have to be with you to live to breathe  
you're taking over me

i look in the mirror and see your face  
if i look deep enough  
so many things inside that are just like you are taking  
over
