Somewhere

Hey girl. help me if you can

I'm coming to you with my heart in my hand

Give me love, I'm starved for affection

When all I need is just a little direction

Somewhere in America

Somewhere 'cross the sea, oh yeah

Somewhere in America

She waits for me

I need a teacher who can use a pet

Give me a lesson in etiquette

If there is anyone who'd like to try

Maybe she'd like to come and teach me tonight

Oh, Somewhere in America

Somewhere 'cross the sea, oh yeah

Somewhere in America

She waits for me

She waits for me

Same old story, Same old song and dance

What good is the glory, if you can't find romance
I know she is waiting (no, she's waiting)
Oooh, somewhere in the heartland (yes, she's waiting)
And if she's out there tonight
I wish she would raise her hand, yeah
Oooh
Hey girl. help me if you can
I'm coming to you with my heart in my hand
Give me love, I'm starved for affection
All I need is just a little direction, yeah
Somewhere in America (somewhere baby)
Somewhere 'cross the sea , oh yeah
Somewhere in America, America
She waits for me
Oooh, she waits for me
Somewhere in America
Somewhere in America
Somewhere in America
Somewhere in America
