I've got a witness not too stable  
It wouldn't get me very far  
I've got one hand on the table  
And one in the cookie jar  
I've got sins that need eviction  
From a temple that's a wreck  
I've got a chain of contradiction  
Hanging around my neck  
So I go down, I go down, down  
I go down on my knees  
I feel the bitter winds grow colder  
They are dancing with my pride  
I've got a chip on my shoulder  
Bigger than a mountainside  
And these claws of human nature  
Hold me tight within their clasp  
I'm not worthy of forgiveness  
But I just had to ask  
So I go down, I go down, down  
I go down on my knees  
(Chorus)  
Feed my hunger slake my thirst  
For a spiritual rebirth  
Light my darkness  
Move in me  
Make me more than what you see  
As I go down on my knees  
When I've all but killed the fire  
And my souls in desperate need  
But I wallow in the mire of complacency  
That's when I go down on my knees  
I want to taste the fruit I'm missing  
And yet I feast only on the bread  
My desires alive and kicking  
But my drive is dead  
So I go down on my knees  
(Chorus)  
You bear the weight of condemnation  
Cleansing with the blood of truth  
So with my humble acclamation  
I want to give myself to you

So I go down, I go down, down  
I go down on my knees  
I go down, I go down, yea  
I go down on my knees  
I go down, I go down, down  
I go down on my knees
