It's been a long road gettin' from there to here  
It's been a long time but my time is finally near  
And I can feel a change in the wind right now Nothing's  
in my way  
And they're not gonna hold me down no more  
No they're not gonna hold me down

Cause I've got faith of the heart I'm goin' where my  
heart will take me  
I've got faith to believe I can do anything  
I've got strength of the soul and no one's gonna bend  
and break me  
I can reach any star  
I've got faith I've got faith faith of the heart

It's been a long night trying to find my way  
But through the darkness now I'll finally have my day  
And I will see my dream come alive at last I will touch  
the sky  
And they're not gonna hold me down no more  
And they're not gonna change my mind

Cause I've got faith of the heart...

I've known a wind so cold I've seen the darkest days  
But now the winds I feel are only winds of change  
Oh I've been through the fire and I've been through the  
rain  
But I'll be fine

Cause I've got faith of the heart...

I'm goin' where my heart will take me and I can reach  
any star  
I've got faith I've got faith faith of the heart  
It's been a long road
