"Here In My Heart"

Wondering, waiting, restless for a sign
I thought You walked so slow, in my haste I left You
behind
Caught in the pace of this madness, searching for
shelter I find
(That) here in my heart there's a refuge waiting
Here in my heart You just won't let me go
I could run away, run away, but You stay here in my
heart
Meaning, purpose got lost in pursuit of my dreams
I've been longing, aching, in quest for a love that's
supreme
I couldn't see You were reaching, but I should've known
all along
CHORUS (2x)
Caught in this place of madness, searching for shelter
to find
CHORUS (2x)
...I could run away, run away
I could run away, run away
I could run away, run away, run away
Oh but You stay
