Like a vision standin' there
Lips poutin' and a come-on stare
Come on, I thought I had your number
[Incomprehensible] spend the night
I was workin' up an appetite for love
Don't let me die of hunger

Ain't ya got no heart
No compassion for your lover
When I get you on the floor
I find it's just another

Hesitation dance
You got me in a stone-cold trance
Hesitation dance
Go out and find another fool
For your game of chance

Shut the door, draw the blinds
Yeah baby, gonna draw the lines
Come on, I know your heart's on fire
How could anyone who plays the part
And tastes so sweet wanna hide her heart away
You're my main desire

Ain't you got no heart
No compassion for your lover
When I get you on the floor
I find it's just another

Hesitation dance
You got me in a stone-cold trance
Hesitation dance
Go out and find another fool
For your hesitation dance

Hesitation dance
You got me in a stone-cold trance
Hesitation dance
Go out and find another fool
For your game of chance

Hesitation dance
You got me in a stone-cold trance
Hesitation dance
Go out and find another fool
For your game of chance

You got me in a stone-cold trance
