Some people stand in the darkness  
Afraid to step into the light  
And some people need to help somebody  
When the edge of surrender's in sight

Don't you worry, it's gonna be alright  
Cos I'm always ready, I won't let you out of my sight

(I'll be ready) I'll be ready  
(Never you fear) oh, don't you fear  
(I'll be ready)  
Forever and always, I'm always here

Within us we all have the power  
But sometimes it's so hard to see  
The instinct is stronger than reason  
Yeah, it's just human nature to me

Don't you worry, it's gonna be alright  
Cos I'm always ready, I won't let you out of my sight

(I'll be ready) I'll be ready  
(Never you fear) oh, don't you fear  
(I'll be ready)  
Forever and always, I'm always here

(I'll be ready) I'll be ready  
(Never you fear) oh, don't you fear  
(I'll be ready)  
Forever and always, I'm always here

(I'll be ready) I'll be ready  
(Never you fear) oh, don't you fear  
(I'll be ready)  
Forever and always, I'm always here  
Forever and always, I'm always here  
Forever and always, I'm always here

I'll be ready, oh don't you fear  
I'm always here
