I've been waitin?, tired of waitin?  
For your song, your love song  
Time just drags by anticipatin?  
So much good love has come and gone

And every minute we spend apart  
Is just time on my hands  
It's breakin' my heart  
Won't you please, please?

Let it be now, I can't wait forever, no  
Let it be now, I need you today, girl  
Girl will you ever know? Let it be now

Well, I get hungry, so damn hungry  
For your love, your sweet love  
Are you teasin' me for a reason?  
Need to know, why so slow?

And every minute we spend apart  
Is just time on my hands  
It's breakin' my heart  
Won't you please, please?

Let it be now, I can't wait forever, no  
Let it be now, I need you today

And every minute we spend apart  
Is just time on my hands  
It's breakin' my heart  
Won't you please, please?

Let it be now, I can't wait forever, no  
Let it be now, I need you today  
Girl will you ever know? Let it be now

My love won't wait, my love won't wait  
My love won't wait, my love won't wait  
My love won't
