Baby if you really love me
You had better understand
That the silver in your pocket
Ain't no measure of a man

[Pre-chorus]

And though the fortunes of our fathers
We aspire to rise above
When you're born into a breed
You're signed in blood

[Chorus]

I'm a poor mans son
Workin' all night long
Got a bad guitar
And a simple song
You're a rich mans daughter
Look at what you've done
You went and fell in love
With a poor mans son

Baby you were born in splendor
To a house of wealth and fame
Your mother was a spender
And you grew up on a stage

[Pre-chorus]

And girl you could have loved for money

Could have fooled around for fame
But you went and took a chance on the real thing

[Pre-chorus]

And though the fortunes of our fathers
We aspire to rise above
When you're born into a breed
You're signed in blood

[Chorus]

I'm a poor mans son
Workin' all night long
Got a bad guitar

And a simple song
You're a rich mans daughter
You're a rich mans daughter
I'm a poor man's son
I'm a poor man's son
I'm a poor man's son

Poor man's son
Working all night long
I'm a poor man's son
I'm a poor man's son
