Girl it always seems about September  
That's the time, again I remember the lights  
And all the fun of those summer nights  
Young and innocent and livin' fast  
Didn't know enough to know  
That a summer love can't last  
Can't last

Then the snow, it fell without a warning  
Left me standin' out in the cold  
My heart shattered, thinking only of yesterday  
Does me no good to reminisce  
I can really only tell you this  
If I had my way, I'd take yesterday

Do you remember those  
Summer nights all night  
Dancin' in the light of love  
(Dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September  
Summer nights all night  
Livin' for your love  
Dreamin' only of  
You and summer nights

I remember playin' by the shoreline  
Before the fall when we had it all at our fingertips  
Buildin' castles in the driftin' sand  
Raced the waves as they ran to the shore  
But the tides were turned for ever more  
And the things we planned  
Were castles made of sand

Do you remember those  
Summer nights all night  
Dancin' in the light of love  
(Dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September  
Summer nights all night  
Livin' for your love

Dreamin' only of  
You and summer nights

Ooh, summer nights  
Makin' love beneath the northern lights  
Ooh, summer nights  
Now I'm back on my own again  
Ooh, summer nights  
We were diamonds in the rough in the moonlight  
Ooh summer nights  
Now I'm out in the cold again  
Back on my own again

I remember those  
Summer nights all night  
Dancin' in the light of love  
(Dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September

Summer nights all night  
Dancin' in the light of love  
Summer nights so right  
Couldn't last beyond September

Summer nights all night  
Dancin' in the light of love  
(Dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September

Summer nights all night  
Dancin' in the light of love
