Girl it always seems about September

That's the time, again I remember the lights

And all the fun of those summer nights

Young and innocent and livin' fast

Didn't know enough to know

That a summer love can't last

Can't last

Do you remember those

Summer nights all night

Dancin' in the light of love (dancin' in the light of love)

Summer nights so right

Couldn't last beyond September

Summer nights all night

Livin' for your love

Dreamin' only of

You and summer nights

I remember playin' by the shoreline

Before the fall when we had it all at our fingertips

Buildin' castles in the driftin' sand  
Raced the waves as they ran to the shore  
But the tides were turned for ever more  
And the things we planned  
Were castles made of sand  
Do you remember those  
Summer nights all night  
Dancin' in the light of love (dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September  
Summer nights all night  
Livin' for your love  
Dreamin' only of  
You and summer nights  
Ooh summer nights  
We were diamonds in the rough in the moonlight  
Ooh summer nights  
Now I'm out in the cold again  
Back on my own again  
I remember those  
Summer nights all night  
Dancin' in the light of love (dancin' in the light of love)  
Summer nights so right  
Couldn't last beyond September  
Summer nights all night  
Dancin' in the light of love

Summer nights so right

Couldn't last beyond September

Summer nights all night

Dancin' in the light of love (dancin' in the light of love)

Summer nights so right

Couldn't last beyond September
