You, you don't feel like mine anymore
This night I wrestle with pride on the floor
That's 'cause you don't look back like I look back
That's 'cause you don't look back like I look back
Well, if I'm undone by thinking along
I whistle to prove, I move by the men
And I don't swim much save in bad times
Treasure it sunk when I gave up on lies
Yeah, you don't look back like I look back
That's 'cause you don't look back like I look back
Oh, you have your own heart and I can't be rid of mine
Still you walk this one path and I can't be driven from
mine
Oh, you have your own heart and I won't be rid of mine
Oh, you have this one path and I can't be driven from
mine
But you you don't feel like mine anymore
And each night I wonder if I'm back by the good.
That's 'cause you don't look back like I look back
Oh, that's 'cause you don't look back like I look back
So you have your own heart and I can't be rid of mine
Yeah, you walk this one path and I can't be driven from

mine

Oh, you have your own heart and I won't be rid of mine

Oh, you have this one path and I can't be driven from mine

All my sunken treasure, I'm swimming to get you

All my sunken treasure, I'm swimming to get you

All my sunken treasure, I'm swimming to get you

All my sunken treasure, I'm swimming to get you

All my sunken treasure, I'm swimming to get you
