Dear my love, haven't you wanted to be with me

And dear my love, haven't you longed to be free

I can't keep pretending that I don't even know you

And at sweet night, you are my own

Take my hand

[CHORUS:]

We're leaving here tonight

There's no need to tell anyone

They'd only hold us down

So by the morning light

We'll be half way to anywhere

Where love is more than just your name

I have dreamt of a place for you and I

No one knows who we are there

All I want is to give my life only to you

I've dreamt so long I cannot dream anymore

Let's run away, I'll take you there

[CHORUS]

We're leaving here tonight

There's no need to tell anyone

They'd only hold us down

So by the morning light  
We'll be half way to anywhere  
Where love is more than just your name  
Forget this life  
Come with me  
Don't look back you're safe now  
Unlock your heart  
Drop your guard  
No one's left to stop you  
Forget this life  
Come with me  
Don't look back you're safe now  
Unlock your heart  
Drop your guard  
No one's left to stop you now  
[CHORUS]  
We're leaving here tonight  
There's no need to tell anyone  
They'd only hold us down  
So by the morning light  
We'll be half way to anywhere  
Where love is more than just your name
