Long lost words whisper slowly to me
Still can't find what keeps me here
When all time, I've been so hollow inside
I know you're still here.

Watching me, wanting me
I can feel you pull me down.
Fearing you, loving you
I won't let you pull me down

Hunting you, I can smell you - alive
Your heart pounding in my head

Watching me, wanting me
I can feel you pull me down.
Saving me, raping me
Watching me.

Watching me, wanting me
I can feel you pull me down.
Fearing you, loving you
I won't let you pull me down
