I'm so tired of being here
suppressed by all of my childish fears
and if you have to leave
i wish that you would just leave
because your presence still linger here
and it won't leave me alone
These wounds seem to heal
this pain is just too real
there's just too much that time cannot erase
when you'd cry i'd wipe away all of your tears
when you'd scream i'd fight away all of your fears
and i've held your hand through all of these years
but you still have all of me
you used to captivate me
by your resonating light
but now i'm bound by the left behind
your face is haunts my once pleasant dreams
your voice is chased away all the sanity in me
these wounds won't seem to heal
this pain is just too real
there's just too much that time cannot erase

when you cried i'd wipe away all of your tears
when you'd scream i'd fight away all of your fears
and i've held your hand through all of these years
but you still have all of me
i've tride so hard to tell myself that you're gone
and though you're still with me
i've been alone all along
