Bermuda, Dunamis, Richie sing!

(Chorus)

Wave with the rags and don't tek it down
Wave with the flags and don't tek it down
Wave with your hands and don't tek it down
If you love Jesus, then don't tek it down
Wave with the rags and don't tek it down
Wave with the flags and don't tek it down
Wave with your hands and don't tek it down
If you love Jesus, then don't tek it down

Well if you're not ashamed (let me see di flags)
To represent the name (let me see the rags)
Jesus' name, the only name that saves
Put you hands inna do air and make the city rock sway
Some people them a hate (but we na go stop)
They see we celebrate (ati raffi roof tops)
But God has been too good, we give him all the praise
Put your rag inna hand, and let me see you just

Chorus (X2)

If you never compromise (let me see di flags)
You good use of cries (let me see di rags)
The world has been revised, the truth them a disguised
If you now him a di way den put your rags inna di skies
Will you nations slap (praise him all di nations)
We a go give praise unto God in adoration
Di earth is di Lords, we give him all the praise
So put di rag inna your hand, and let me see you just

Chorus (X2)

Wave you think you know him a your father
Your physical he sees, yeah him a your doctor
Falsely accusing him can be your liar
Di person confuse him a di answer

So wave you think you know you're out of danger
Ya na reject the babe weh man inna di manger
When him see your name him not going call you
stranger
Because Jesus is your saviour!
So just

Chorus (X2)

Mi whole lot you fi word (let me see di flags)
England you fi way (let me see di rags)
Canada you fi way, Japan o you fi way
If you from Africa, mek me see you hands sway
Guyana you fi way (let me see di flags)
Trinidad do do fi way (let me see di rags)
Nicka really on a way, Christians do do fi way
Put di rag inna your hand, and mek me see you rock
sway

Chorus
