[Chorus]

The fancy cars  
The women and the caviar  
You know who we are  
Cause we pimpin' all over the world  
The fancy cars  
The women and the caviar  
You know who we are  
Cause we pimpin' all over the world

[Luda Talking]

Sing It Hoes  
(Woorld, The World, The World)  
All over the world, baby  
It's only right that I share my experiences with y'all  
Cause I've been places you'll never imagine  
But I'ma start it at home  
When I see a girl I like  
I walk straight up to them and I'm like (ugh)

[Ludacris]

Hey girl how you doin'  
You are the woman that I'm really pursuin'  
And I would like to get to know ya  
Can you gimme ya name  
If you jot down ya number you'll get mine in exchange  
(Heyy)  
See I'm the man of this town  
And I hope you would'nt mind  
If I showed you around  
So when you go to certain places you'll be thinkin of me  
We got, people to meet  
And many places to see (Heyy)  
I'm really diggin' ya lips  
But be careful where you walkin'  
When you swingin' them hips  
Cause I'm kinda concerned  
That you'll be causin' a crash  
With your traffc jam booty  
Heads pausin' so fast (Heyy)  
I would'nt trade you for the world I swear it

I like ya hair and every style that you wear it  
And how the colors cordinate with your clothes  
From your manicured nails to your pedicured toes

[Chorus]

[Ludacris]

You hear the song so dance  
Don't always think I'm tryna get in your pants  
Cause see me my pimpin's in 3-D  
I'm takin' you places you only see on T.V  
Tryna show ya how you livin' is trife  
How many guys you know  
Can bring the travel channel to life  
One day we on the auto-bind  
Swervin drivin  
Next day we in the sun on the Virgin Islands  
If you with me ain't no time to sleep  
Especially at Wet Willies on Miami Beach  
But I drive you off and pay you no attention  
If make it to Atlantas Brina Brothers convention  
Then jump in the car and just ride for hours  
Maki'n sure I don't miss the homecoming at Howard  
Hawaii to D.C. it's plenty women to see  
So if yo ass don't show up it's more women for me  
(Heyy)

[Chorus]

[Ludacris]

I'm in New York at the Puerto Rican Day Parade  
Then at night I'm in New Orleans drinkin' hand  
grenades  
Outnumbered by the dozens at the jazz fest  
In Mardi Gras all the women tryna show me their chest  
(Heyy)  
I'm in Jamaica spendin massive bucks  
While the ladies all beggin' me to masha tucks, I had  
Sad beginnings when I rapped with no fans  
Now it's all happy endings on my lap in Japan (Heyy)  
I used to think that it was way too cold  
Til' I went to Canada and saw some beautiful hoes  
Now I hit the Carribean every year in Toronto  
Then fly to Illinois to get a taste of Chicago(ugh)  
Oh yet and still  
You would'nt believe your eyes if you went to Brazil  
(But where the best at)  
Ain't no need of even askin brah  
The best women all reside in Africa  
And that's real

[Chorus]

[Ludacris]

Sing it Hoes

[\$Money Mike\$ Fading Out]

Pimpin' pimpin' pimpin'

Ladies and gentlemen as we ride out

Could we have all the real pimps

Please put both of your pinky fingers high in the air

Now ladies look around with me, let's see if

We can weed some of these niggaz out

Cause it's no way that all these niggaz could be pimpin'

Now if you happen to see a nigga

With two sweat patches up under his arms

Look like he been swimmin'

In shoulder height water

Please tell that nigga "put your hands down"

If you smell like you been at work all day and your car

Please "put your hands down"

Now look up at the pinky fingers that

Are still in the air, if you see him ashy around the  
knuckles

Like the nigga wash half of his hands and lotion three  
quarters of his body

Please say "put your hands down"

If your spinnin' rims

Spin counter clockwise, you are not pimpin'

If you are dancin' on the dancefloor

And you look to your left and your right

And you do not see a woman in sight

Guess what?

You guessed it. You are not pimpin

If your Vodka and Cranberry is really really dark like  
blood

That's because you didn't order Vodka buddy

That's why it's three dollars a glass

"Put your hands down"

Now look down, I need everybody to pull up your pants  
leg one time ok

You see the nigga with the white socks

NOT PIMPIN!

Sorry unless you part of the "Beat It" entourage

If your shoes have a buckle on...
