3. ECHo CanYOn
SUSAN AGLUKARK, BEN MINK

Waters tumbling over echo canyon
Falling with the faith of eaglet wings
Corridors are filled with wolf pack howls
Guardian of this fortress of mystique

I could just make this my addiction
This place where heart and soul collide
This place where time has been suspended
Where my desires come alive

I wanna be where you are
Everywhere invisibly
I wanna be the storm that fills you
Melts way on summers wings

You can't just take away the hunger
You can't just wipe the memory clean
And if you make me your addiction
You'll slowly draw me from my skin

I wanna be where you are
Everywhere invisibly
I wanna be the storm that fills you
Melts way on summers wings
