She's a border queen
Trapped in a time machine
A woman child
With neon dreams
And the cage is all in her head
She's free, she's right on the edge

Red velvet angel
So much to prove
Nothing to gain
Red velvet angel
Joan of arc and Jezebel
In a broken down cage

Perpetual game
She plays guard and veil
Forgets to breathe
Forgets to exhale
And sits right on the edge
Will she jump or cling to the ledge?

Red velvet angel
So much to prove
Nothing to gain
Red velvet angel
Joan of arc and Jezebel
In a broken down cage
